For many in Dickinson, Queen of Angels Church has long been a familiar and comforting presence — a place tied to baptisms and weddings, school days and parish festivals, and the simple joy of neighbors coming together. This November 21st and 22nd, we are excited to continue that tradition by hosting community festival, and we would be honored to have you as a sponsor.

Our festival will be held in honor of Christ the King, is open to everyone and will feel like the kind of celebration people remember fondly — the sound of live music drifting through the air, children laughing on the rides, friends sharing good food and conversation, and families lingering just a little longer because it feels like home. It is a chance to slow down, reconnect, and celebrate the community we all share.

This year's festival will include carnival rides, a kids zone, food booths, beer and wine, a holiday vendor market, and a mainstage with live music and entertainment. We look forward to welcoming families, longtime residents, and new neighbors alike for a weekend filled with joy, tradition, and togetherness.

The festival also serves as a fundraiser to benefit Queen of Angels Academy, helping to support the education, growth, and future of the children entrusted to our school since 1977. Through this event, we hope to strengthen not only our community connections, but also the foundation that allows our academy to continue forming young minds and hearts.

Sponsorship support helps make this festival a tradition for our community. As a sponsor, your business will be recognized through event signage, stage announcements, and promotional materials, while also playing a meaningful role in supporting local families and education.

Please refer to the enclosed sponsorship form for additional details and available opportunities. We would be happy to work with you to find a partnership that best fits your business and answer any questions you may have.

Thank you for your consideration in supporting this community celebration. We hope you will join us in helping create new memories this November — and in investing in the future of our community through Queen of Angels Academy.

God bless you and thank you for your generosity,

Father Adam Purdy
Pastor & Principal
